BLUF. WIRE Orthodox holds at **ENVIRONMENT FOR CRISIS (=)** on a quiet Tuesday. On 16 November the UOC's Legal Department called unlawful the state religious-affairs service's (DESS) practice of denying UOC clergy mobilization exemptions on the ground that UOC statutes have lost force as to their name. A UOC outlet reports that a Kyiv-Pechersk Lavra monk was mobilized on 6 November despite an earlier medical exemption. In Moscow, preparations continue for Patriarch Kirill's 80th birthday on 20 November. The Bulgarian Patriarch is reported as expected, but no primate's attendance is officially confirmed. A Lithuanian Seimas committee takes up the Vilnius churches bill tomorrow. No calls resolve today. One new call is logged (ORT-29).

Family level = highest topic level. Roll-up per WIRE_METHOD §1a. This assessment takes no political side; it scores pressure on the Church's freedom, unity and flock.

Level change since 16 Nov: none. Trend change: none.

Moved indicators (vs 16 Nov). None. The Lavra mobilization report and the UOC legal statement fit the standing ABNORMAL score for clergy detentions and UOC legal status.

I. ORTH-T1 CHURCH AND STATE; PRESSURE ON ORTHODOX CHRISTIANS | ENVIRONMENT FOR CRISIS

Ukraine, clergy exemptions. On 16 Nov the UOC Legal Department (official UOC body) responded to remarks DESS head Viktor Yelensky made in Zaporizhzhia on 13 Nov. According to the statement, Yelensky said UOC community statutes had lost force as to their name and added, "I am not to blame for this" (desk translation). The department calls the practice of using that finding to deny exemptions "unlawful administrative arbitrariness". It demands the criterion be dropped and past decisions reviewed, and reserves the right to sue. **Ukraine, Lavra monk.** UOC outlet UOJ/spzh reports that enlistment-office (TCC) staff detained Monk Paisiy (Prysiazhny) of the Kyiv-Pechersk Lavra on a Kyiv street on 6 Nov. It says a medical board found him fit despite an earlier medical removal from the register, and he was sent to a National Guard brigade next day. UOJ cites a Telegram channel; Russian outlet Ukraina.ru repeated it. **Middle East.** No new attack found; the Karak sentences are under automatic cassation review (Petra). **Indicators.** UOC legal status ABNORMAL (=). Clergy detentions ABNORMAL (=). Middle East Christian security ABNORMAL (=). Roll-up: ENVIRONMENT FOR CRISIS (=). **Analyst Comment.** The UOC's lawyers now name a specific criterion and threaten suit, which ties clergy mobilization to the affiliation fight. A court challenge is likely within weeks. The Lavra report is single-sourced and three weeks old; it adds no weight.

II. ORTH-T2 INTER-ORTHODOX RELATIONS AND THE SCHISM | ENVIRONMENT FOR CRISIS

Moscow, 80th birthday. The Moscow city diocese says Patriarch Kirill will lead the Liturgy at Christ the Saviour Cathedral on his 80th birthday (moseparh.ru, Moscow Patriarchate). Sloboden Pechat reports the Macedonian Church–Ohrid Archbishopric will send two bishops, not its primate, and, citing unnamed church sources, that Bulgarian Patriarch Daniil is expected, with Albanian, Georgian and Polish hierarchs. No primate is officially confirmed (ORT-28; new ORT-29). **Lithuania.** Committee consideration of bill XVP-1977, which would transfer five Moscow Patriarchate churches to the Ecumenical Patriarchate's exarchate, is listed for 18 Nov (lrs.lt; ORT-26). **Cyprus.** No Synod date has been set for the memorandum Tychikos submitted on 13 Nov. Reporter cites church sources saying a session "will be scheduled" (desk translation) but not when (Reporter, 14 Nov). ORT-15 (due 20 Nov) is now very unlikely. **Indicators.** Rival jurisdictions ABNORMAL. Public polemic ABNORMAL. Breaks in communion ROUTINE. Roll-up: ENVIRONMENT FOR CRISIS (=). **Analyst Comment.** Skopje sent bishops, not its primate, after consulting its foreign ministry. Expect that pattern from Churches in EU or NATO states; Bulgaria is the exception to watch.

III. ORTH-T3 HOLY LAND AND THE ECUMENICAL PATRIARCHATE | NO CRISIS

Patriarch Theophilos of Jerusalem has said he is preparing a visit to Ukraine "with the aim of bringing calm and peace to the region" (as reported by TASS and relayed by UOJ/spzh, desk translation). No date or programme has been announced (ORT-22). On 13 Nov the Ecumenical Patriarch wrote to the head of the Ukrainian Greek Catholic Church, welcoming its commitment to a common Easter date (RISU). No new Phanar or Jerusalem property or status action was found. **Indicators.** ROUTINE. Roll-up: NO CRISIS (=).

IV. ORTH-T4 ORTHODOXY AND GEOPOLITICS | ENVIRONMENT FOR CRISIS

See WIRE World Instability, EU-T1: Potential Crisis, dominant Significant, trend ↑ today after the Kerch bridge strike and ballistic strikes on Kyiv's bridges. In Romania, Patriarch Daniel's 16 Nov message on twenty years of Law 489/2006 praised a "Romanian model" of state neutrality and Church autonomy (Orthodox Times, via the Romanian Patriarchate's basilica.ro). **Indicators.** War between majority-Orthodox nations SIGNIFICANT (standing). Religious justification ABNORMAL (=). Church-state disputes ROUTINE. Roll-up: ENVIRONMENT FOR CRISIS (=). Override −1 (as since 11 Nov): the war is scored in WI EU-T1; T4 scores the Church's entanglement. No new church justification of the war was found, so T4 stays =. **Analyst Comment.** Any heavy Russian retaliation for Kerch would fall in jubilee week; watch whether jubilee speeches frame the war in religious terms.

V. ORTH-T5 SPIRITUAL READING OF THE DAY | NOT SCORED

Spiritual Reflection. This section is not analysis and not evidence. Today the Church remembers St Gregory the Wonderworker, bishop of Neocaesarea (new calendar). Old-calendar Churches keep St Joannicius the Great and the hieromartyrs Nicander and Hermas (OCA, 17 Nov; OCA, 4 Nov). In today's Gospel (Luke 14:25–35), the Lord tells those following Him to count the cost, like a builder before a tower or a king before a war, and He warns of salt that has lost its savour. Tradition holds that Gregory found few Christians in his city and left few pagans; he counted the cost in faithfulness, not numbers. In these first days of the Nativity Fast (Morphou has opened its Christmas forty-Liturgies cycle), the Gospel asks each of us the builder's question: not "how strong is my side?" but "will I finish what I began in Christ?"
