BLUF. WIRE Orthodox stays at **ENVIRONMENT FOR CRISIS**, and the trend turns to ↑ on inter-Orthodox polemic. On 19 Nov the Holy Synod of the Orthodox Church of Ukraine (OCU) issued a statement calling Patriarch Kirill's activity "anti-church and heretical." It made no canonical decision. At the 20 Nov jubilee Liturgy in Moscow, the Patriarchs of Antioch and Jerusalem concelebrated for the first time. The Ecumenical Patriarch and the Patriarch of Alexandria were not commemorated. Ten days before the Phanar gathering of the ancient Patriarchates, neither Antioch nor Jerusalem has publicly confirmed attendance. On 17 Nov Estonia's Supreme Court declined the appeal of the Moscow-linked Estonian Church's primate, making his exclusion final. Russia's foreign minister called the Church's values a "very powerful instrument" of foreign policy. No predictions were due. New: ORT-32, ORT-33.

Family level = highest topic level. Roll-up per WIRE_METHOD §1a. This assessment takes no political side; it scores pressure on the Church's freedom, unity and flock.

Level change since 20 Nov: none. Trend change: family = → ↑ (ORTH-T2 = → ↑).

Moved indicators (vs 20 Nov). ORTH-T2 public polemic ABNORMAL → SIGNIFICANT: a synod, not just individual hierarchs or outlets, has used the language of heresy against a sitting primate.

I. ORTH-T1 CHURCH AND STATE; PRESSURE ON ORTHODOX CHRISTIANS | ENVIRONMENT FOR CRISIS

Estonia. On 17 Nov the Supreme Court declined to hear the cassation appeal of Metropolitan Eugene (Reshetnikov), primate of the Estonian Orthodox Church linked to Moscow. This makes final the 9 Jul circuit-court ruling that upheld the 2024 refusal to extend his residence permit on security grounds. The court said the refusal concerned his activities, not his faith or church status (Postimees, 17 Nov; Reflect.ee/ERR, 19 Nov; RIA Novosti, 19 Nov). He has been outside Estonia since February 2024. **Ukraine.** No new court ruling or DESS order was found for 20–21 Nov. The 19 Nov Boryspil affiliation finding (Interfax-Ukraine) and the 17 Nov Supreme Court remand on the 2019 expertise (reported by UOC-aligned outlets; see 20 Nov edition) stand. ORT-01 (Kyiv Metropolis ruling by 30 Nov) remains open. **Lithuania.** The UOC-aligned UOJ reported the 18 Nov Seimas committee finding (already scored) (UOJ, 20 Nov). **Indicators.** UOC legal status ABNORMAL (=). Clergy detentions ABNORMAL (=). Middle East Christian security ABNORMAL (=; the Karak trial continues, per Petra; no new attack found). Baltic church-state ABNORMAL (=). Roll-up: ENVIRONMENT FOR CRISIS (=). **Analyst Comment.** The Estonian ruling closes an old case and

does not touch the community's registration or property. It does mean the Estonian Church under Moscow is likely to remain governed from abroad for the foreseeable future.

II. ORTH-T2 INTER-ORTHODOX RELATIONS AND THE SCHISM | ENVIRONMENT FOR CRISIS

OCU Synod statement. On 19 Nov the OCU Holy Synod published a "Statement on the anti-church and heretical activity" of Patriarch Kirill (pomisna.info, OCU official; RISU). Its stated target is his 2026 book *War: Beyond Visible Causes and Consequences* (Moscow diocese notice). It also cites the Russian Synod's 2 Oct guidelines on receiving people from Ukrainian "schismatic structures." The UOC outlet UOJ/spzh notes that the statement contains no canonical decision, summons or appeal to other Churches (UOJ/spzh, 20 Nov). No official Moscow reply was found (new ORT-33). **Moscow jubilee.** Orthodox Times (Phanar-aligned) reports that John X of Antioch presided and Theophilos III of Jerusalem concelebrated. It says this was the first time the two had served together since Antioch broke communion with Jerusalem over Qatar in 2014, and that neither Bartholomew nor Theodoros II of Alexandria was commemorated (Orthodox Times, 20 Nov). According to OrthoChristian, citing patriarchia.ru, delegations came from 10 Local Churches, including the OCA through its Moscow representative (OrthoChristian, 21 Nov). In his address John X said: "Cities differ, languages differ, but the prayer is one and the Chalice is one" (as published by OrthoChristian). No Phanar greeting to the Moscow Patriarch was found (ORT-27 open, due 23 Nov). **Indicators.** Public polemic SIGNIFICANT (↑). Rival jurisdictions ABNORMAL (=). Breaks in communion ROUTINE (=; the OCU statement breaks nothing new). Roll-up: dominant SIGNIFICANT → POTENTIAL by default; **override −1 to ENVIRONMENT FOR CRISIS**: words without a canonical act, and no new break in communion. Trend ↑. **Analyst Comment.** The OCU statement came out the day before the jubilee and eleven days before the Phanar gathering. It likely (~65%) aims to put the Moscow Patriarch's teaching on that agenda, as UOJ/spzh also suspects. The Antioch–Jerusalem concelebration heals a real 2014 wound, but it took place in Moscow, without the first-ranking see commemorated. That makes attendance at the Phanar on 30 Nov the key test.

III. ORTH-T3 HOLY LAND AND THE ECUMENICAL PATRIARCHATE | NO CRISIS

Patriarch Theophilos III left Moscow on the evening of 20 Nov after a two-day visit (Orthodox Times, citing patriarchia.ru, 21 Nov). Neither Jerusalem nor Antioch has publicly confirmed attending the 30 Nov Phanar gathering (UOJ, 20 Nov). The Sinai agreement remains unsigned: the Archbishop approved it on 24 Oct, and no signing date had been set as of early November (ISHR). ORT-07 remains open. No property, status or security action against either Patriarchate was found. **Indicators.** ROUTINE. Roll-up: NO CRISIS (=).

IV. ORTH-T4 ORTHODOXY AND GEOPOLITICS | ENVIRONMENT FOR CRISIS

WI EU-T1 is at Potential Crisis (Significant, ↑), after a Kh-101 missile detonated in Poland (WIRE World Instability, 21 Nov). In a 19 Nov interview with the Spas channel for the Patriarch's jubilee, Russia's foreign minister said the values the Russian Church has defended are "now becoming a very powerful instrument of our foreign policy" (desk translation; TASS via Mail.ru; Vzglyad). **Indicators.** War between majority-Orthodox nations SIGNIFICANT (standing). Religious justification of war ABNORMAL (=). The book cited by the OCU dates from July 2026 (Meduza, 29 Jul), so it is not a new statement. Church-state disputes ROUTINE. Roll-up: ENVIRONMENT FOR CRISIS (=). Override −1 kept: the war itself is scored in WI EU-T1. **Analyst Comment.** The minister's remark is state instrumentalization, not a church statement. It strengthens the security case that Baltic and Ukrainian authorities make against Moscow-linked communities (see T1).

V. ORTH-T5 SPIRITUAL READING OF THE DAY | NOT SCORED

Spiritual Reflection. This section is not analysis and not evidence. Today is the Feast of the Entry of the Most Holy Theotokos into the Temple (OCA, 21 Nov). The festal Gospel is Luke 10:38–42 and 11:27–28. Martha is "careful and troubled about many things," but "one thing is needful," and Mary "hath chosen that good part." When a woman blesses the womb that bore Him, the Lord answers: "Yea rather, blessed are they that hear the word of God, and keep it." According to Tradition, the child Mary went up the Temple steps on her own and was led into the Holy of Holies (Orthodox Times). In a week of statements, counter-statements and honours, the feast points to the one thing needful: to hear the word, to keep it, and to become a temple in which God can dwell.
