BLUF. WIRE Orthodox holds at **ENVIRONMENT FOR CRISIS**, and the trend levels off at **=** after yesterday's rise. On 17 Nov the Greek Orthodox, Syriac Orthodox and Melkite Patriarchs of Antioch issued a joint statement from Damascus. They said recurring attacks and kidnappings for ransom, most recently in Al-Suqaylabiyah, and the 14 Nov assault on the Melkite Archbishop of Homs raise "a grave question regarding the future of Christians in this country." On 21 Nov Patriarch John X of Antioch met Patriarch Kirill in Moscow to discuss "inter-Orthodox relations." Eight days before the Phanar gathering of the ancient Patriarchates, neither Antioch nor Jerusalem has confirmed attendance. No reply from Moscow to the OCU Synod's "heretical" statement has been found, and none from Athens on Corfu. No predictions were resolved. New: ORT-34.

Indicator: ROUTINE | ABNORMAL | SIGNIFICANT | EXTREME **Crisis level:** NO CRISIS | ENV. FOR CRISIS | POTENTIAL | PROBABLE | IMMINENT

Family level = highest topic level. Roll-up per WIRE_METHOD §1a. This assessment takes no political side; it scores pressure on the Church's freedom, unity and flock.

Level change since 21 Nov: none. Trend change: family ↑ → = (ORTH-T2 ↑ → =: no new canonical act or polemic).

Moved indicators (vs 21 Nov). None. The Syria statement is new to this desk but falls within ABNORMAL (attacks and kidnappings, no killings or church destruction reported).

I. ORTH-T1 CHURCH AND STATE; PRESSURE ON ORTHODOX CHRISTIANS | ENVIRONMENT FOR CRISIS

Syria. The 17 Nov joint statement, signed by John X (Greek Orthodox), Mor Ignatius Aphrem II (Syriac Orthodox) and Youssef I Absi (Melkite), condemns "systematic assaults and kidnappings carried out for exorbitant ransom payments." It cites "the competent authorities' failure to provide security and protection" and says Christians "are not to be treated as easy targets for attack or as scapegoats" (Antiochian Archdiocese, statement text). According to ACN, armed men tied up Archbishop Jean-Abdo Arbach on 14 Nov, robbed his office, and left him safe; no perpetrators had been identified (ACN). No arrest has been reported (new ORT-34). **Ukraine.** UOC outlet UOJ/spzh reports that Hierodeacon David (Rusynchak) of the Rivne eparchy was detained by recruitment officers in Odesa. It says he is at a training centre in Zhytomyr and is to be deployed to an assault unit on 5 Dec (UOJ/spzh, 20 Nov). No new court ruling or DESS order was found for 21–22 Nov; ORT-01 (Kyiv Metropolis ruling by 30 Nov) remains open. **Kazakhstan.** On 18 Nov an Almaty appeal court upheld the four-year sentence of the anti-war priest Iakov Vorontsov, formerly of the Russian Church (Fergana; background Forum 18, 23 Oct). **Kosovo.** On 21 Nov the Serbian Church's Raška-Prizren diocese asked that a draft heritage-inspectorate law bar inspection measures from restricting the Church's existing legal rights (SRNA; headline only). **Indicators.** UOC legal status ABNORMAL (=). Clergy detentions ABNORMAL (=). Middle East

Christian security ABNORMAL (=). Baltic/Balkan church-state ABNORMAL (=). Roll-up: ENVIRONMENT FOR CRISIS (=). **Analyst Comment.** A joint alarm from the Orthodox, Syriac and Melkite Patriarchs is rare. It shows the heads of Syria's churches losing confidence in state protection. One more lethal attack on a Christian village would likely (~70%) move this indicator to SIGNIFICANT.

II. ORTH-T2 INTER-ORTHODOX RELATIONS AND THE SCHISM | ENVIRONMENT FOR CRISIS

On 21 Nov Patriarch John X met Patriarch Kirill at his Moscow residence. Per Orthodox Times (Phanar-aligned), they discussed "the current situation facing Christians and developments in inter-Orthodox relations" (Orthodox Times, 21 Nov). OrthoChristian, citing patriarchia.ru (Moscow Patriarchate), confirms that Patriarch Porfirije of Serbia and Metropolitan Rastislav also concelebrated on 20 Nov (OrthoChristian). The Russian Church Abroad (Moscow Patriarchate) also published a greeting (synod.com, 19 Nov). No reply to the OCU's 19 Nov statement has been found on patriarchia.ru/mospat.ru (ORT-33 open). The UOC outlet UOJ reports that the OCU will send an open letter to Archbishop Ieronymos about Metropolitan Nektarios of Corfu (UOJ, 21 Nov). No response from Athens has been found (ORT-31 open). No Phanar greeting to the Moscow Patriarch has been found either (ORT-27, due 23 Nov). **Indicators.** Public polemic SIGNIFICANT (=). Rival jurisdictions ABNORMAL (=). Breaks in communion ROUTINE (=). Roll-up: SIGNIFICANT → POTENTIAL by default; **override −1 to ENVIRONMENT FOR CRISIS** kept: words without canonical acts. Trend =. **Analyst Comment.** A second day of Antiochian business in Moscow, a week before the Phanar, makes in-person attendance by John X less likely. ORT-32 stays at 25%.

III. ORTH-T3 HOLY LAND AND THE ECUMENICAL PATRIARCHATE | NO CRISIS

The Greek Orthodox Archdiocese of America marks Archon Sunday today ahead of the Thronal Feast, noting the 35th anniversary of Bartholomew's enthronement (GOARCH encyclical). Halki has not reopened. UOJ reports that renovations should finish in January, and the Turkish education minister has said the decision rests with the president (UOJ; Orthodox Times). No new statement from the Jerusalem Heads of Churches since 19 Oct, and no new property action, was found. **Indicators.** ROUTINE. Roll-up: NO CRISIS (=).

IV. ORTH-T4 ORTHODOXY AND GEOPOLITICS | ENVIRONMENT FOR CRISIS

WI EU-T1 holds at Potential Crisis (Significant, =). NATO's council meets 23 Nov on Poland (WIRE World Instability, 22 Nov). No new official religious justification of war was found. **Indicators.** War between majority-Orthodox nations SIGNIFICANT (standing). Religious justification ABNORMAL (=). Roll-up: ENVIRONMENT FOR CRISIS (=); override −1 kept, since the war is scored in WI EU-T1.

V. ORTH-T5 SPIRITUAL READING OF THE DAY | NOT SCORED

Spiritual Reflection. This section is not analysis and not evidence. Today's Gospel is the rich man whose ground "yielded plentifully" (Luke 12:16–21, OCA). He plans greater barns and tells his soul, "take your ease; eat, drink, and be merry," and hears: "Fool! This night your soul will be required of you." The harvest was good: creation is a gift. The fall begins where "he thought within himself," and the gift closes in on the self. Christ took flesh to open it again, and the Church keeps "the unity of the Spirit in the bond of peace" (Ephesians 4:3, as quoted by the Russian Church Abroad this week). Today we also remember Philemon, Apphia, Archippus and Onesimus, the household in which a runaway slave was received as a brother. Between barns and brothers, the question is what we lay up "for himself" and what makes us "rich toward God."

VI. PREDICTIONS

- **Resolved today:** none due (ORT-27 resolves after 23 Nov).
- **New: ORT-34** (45%, about even): Syrian authorities announce the arrest of at least one suspect in the 14 Nov Homs archbishopric assault by 31 Dec 2026.

VII. GAPS AND UNVERIFIED

- Syria: the statement text was read on an Antiochian Archdiocese file. The Al-Suqaylabiyah incidents and the torture video it mentions were not independently verified. Accounts of the Homs assault come from ACN and church sources.
- Hierodeacon's mobilization: a single UOC-outlet source citing unnamed "UOJ sources."
- Kosovo: SRNA headline and lead only; the draft law was not read.

- Antioch–Moscow meeting: Orthodox Times summary only; the Antiochian or patriarchia.ru readout was not read.
- **Not collected:** USCIRF, Mount Athos, Church of Greece (ecclesia.gr), the latest Morphou homily (archive lists 16–17 Nov; not read), and a Metropolis of Atlanta homily.
